Dear Editor, Maybe you will put this in your paper. My name is Robert I am 8. My brother PAUL is 12. We miss our bikes because somebody stole them and they were almost new. We wish mothers and fathers would make children return things that don't belong to them. We want get any more bikes for a long time because I have 10 brothers and sisters.
Thank you
Robert

LETTER TO THE EDITOR . . . Prospects of facing a summer without his bicycle has prompted 8-year-old Robert Noone of 2763 Onrado St. to pen his first "Letter to the Editor." Robert scores a strong point in his plea to parents to make the children return things that don't belong to them.
